## OBJECTIVES

---

Passionate and detail-oriented Full Stack Developer with experience in React, JavaScript, Spring Boot, and RESTful APIs. Adept at building scalable, secure, and intuitive applications, optimizing performance, and maintaining clean code. Seeking an internship opportunity to contribute technical expertise while growing in a collaborative environment.

## EDUCATION

---

### Pan-Atlantic University

Programme: Bachelor of Science, Computer Science

Expected Dec 2026

Academic Standing: Second Class Upper

## TECHNICAL SKILLS

---

- **Front-End Development:** React.js, JavaScript, TypeScript, HTML, CSS, Responsive Design
- **Back-End Development:** Spring Boot, Node.js, RESTful APIs, JWT Authentication
- **Database Management:** Spring Data JPA, PostgreSQL, MongoDB
- **Tools & Platforms:** Git, GitHub, Docker, VS Code, Postman
- **Soft Skills:** Team Collaboration, Effective Communication, Critical Thinking

## WORK EXPERIENCE

---

### IT Support Intern | CWG PLC (July 2025 – Sept 2025)

- Gained hands-on experience with the **Microsoft ecosystem**, including Power Apps and Active Directory user account creation.
- Managed **Tech Tuesday** sessions, improving internal communication and collaboration with staff.
- Worked with enterprise tools such as **Sophos** and **ManageEngine**, enhancing understanding of IT security and device management.
- Supported various internal IT operations, strengthening troubleshooting and technical support skills.

### Full Stack Developer Intern | CSDC Systems Solutions Limited (July 2025 – Sept 2025)

- Assisted in completing the **frontend development** of the company's ongoing project, improving UI responsiveness and usability.
- Designed a **modern landing page** for one of the company's websites, contributing to improved brand presentation.
- Initiated the **backend development** of a ticketing application, including structuring endpoints and project setup.
- Collaborated with the development team to ensure seamless integration between frontend and backend components.

### Full Stack Developer Intern | CSDC Systems Solutions Limited (July 2024 – Sept 2024)

- **Developed API endpoints** for creating, updating, retrieving, and deleting student records, improving database efficiency.
- **Implemented CRUD operations** using **Spring Data JPA**, ensuring secure and efficient data handling.
- **Built website templates** for a significant project, enhancing user experience and interface responsiveness.
- **Collaborated with a cross-functional team**, aligning development efforts with project goals.

### Intern | Monospace Digital (Aug 2023 – Sept 2023)

- **Developed a client website**, boosting online presence and customer engagement.
- **Researched emerging technologies**, optimizing processes and incorporating innovative solutions.
- **Created a marketing strategy** that led to increased product sales and brand visibility.
- **Analyzed customer feedback**, identifying areas for improvement and implementing changes.

## PROJECTS & ACHIEVEMENTS

---

- **Student Council Website** – Designed and developed a dynamic **React & REST API-based website** for student engagement. (*Nov 2024*)
- **Industry Readiness Programme Certification** – Recognized for technical proficiency and industry preparedness. (*Nov 2023*)
- **GitHub Portfolio** – [View Projects](#)

## VOLUNTEER & LEADERSHIP EXPERIENCE

---

- **Resident Assistant | Pan-Atlantic University** (*Aug 2024 – Present*)
- **Student Council Tech Team | Pan-Atlantic University** (*June 2024 – March 2025*)
- **Welfare Officer 1 | Pan-Atlantic University** (*Feb 2025 – Dec 2025*)

## LANGUAGES

---

- **English:** Fluent
